From the President's Pen

Greetings wonderful members of the Whangarei RSA.

Firstly, I would like to apologise. For those who attended the EGM, I stated that I would have my priorities in the following newsletter, this clearly didn't happen. For that I am incredibly sorry. Working my way through the issues and outstanding work of the presidency was more involved than I originally thought and took a little longer than planned.

Now that I am up-to-date I am pleased to present my priorities for the next several months until our AGM in late September.

1. Develop and implement strategies to stabilise the operational finances and start working towards a more profitable business model for the association.
2. Develop and implement clearer processes around our core business practices to enable a smoother operation and a clear delineation between governance and operations.
3. Bring the Whangarei RSA in to line with other associations around the district in planning and implementing necessary changes to align with the upcoming legislation change covering incorporated societies.
4. Realign our core purposes with the RNZRSA being Remembrance, Support and Advocacy. This will be achieved through multiple lines of effort taking into account the feedback and thoughts of you, our members.

Not wanting to overload our current Executive Committee, I am keeping my priorities to four, however, contained within those four are plenty of opportunities for growth and development moving into the future.

I look forward to meeting, working and developing our association with you all.

As a full-time worker as well as my commitments to NZCF / NZDF I am conducting my Presidential duties remotely of the office at the Hannah Street HQ, however, I am always contactable via the following methods.

New Staff Uniforms

We would like to thank Lion for the kind sponsorship of our new uniforms. They certainly look fantastic on us.

New Hours of Business

We would like to advise that the bar will now open from 2pm on Saturday the 1st of April 2023. Get in grab a drink and enjoy your afternoon at the Whangarei RSA.

Glass Ware & Bottles

Please do not bring in any drink bottles or glass ware into the Whangarei RSA even if it is only filled with water.

This also applies to tea & coffee, including the ingredients to be able to make a hot beverage. We have water, tea & coffee available here at the RSA.

Part of the Duty Managers duties is to control and monitor the level of intoxication of their patrons. By bringing in your own drinking containers we are unable to control what is in them.

We are governed by.....
"The holder of a club licence must ensure that, when we are open for the sale of supply of alcohol, no person consumes on the premises any alcohol, beverage or water not sold or supplied on premises by the licensee."
