President's Update

Following the Meeting of Members held on Sunday 23 June 2024, the completion of the consultation process and consideration of all feedback I am advising you of the Executive Committee's decision to restructure by leasing the hospitality branch of the Whangarei RSA operations. The lease will take effect from 1 September 2024.

As a member of the Whangarei RSA the impact of this change will be minimal. You will still be considered and treated as an RSA member. The office will relocate downstairs, and the other branches of the RSA will still operate as usual. Your membership also ensures you country wide visitation rights with all affiliated RSA's and Clubs New Zealand associations

One of the changes being made by the incoming lessee is a maintenance shut down and upgrade to new machines in the gaming room. Please note the gaming room will be closed until the lessee can effect these changes.

This decision was not taken lightly and due to the rapidity of the leasing process the Executive Committee did not have sufficient time to facilitate another meeting of owners.

In conclusion the Executive Committee believe this is the best option going forward for the Whangarei RSA. Always remember '*Change is inevitable. What is also inevitable is FAILURE for those who refuse to change*'.

Entertainment

Well, my tenure for bringing music to the Whangarei RSA will come to an end this month with Max Cochrane playing for our final night on the 23rd of August. I did try to get the OUTLAWS but unfortunately, they have other commitments. It has not been an easy process, obviously my budget being the biggest challenge, a cold tricky air conditioning unit that chased members out the door & sadly some attitudes but through all of this I have turned up every Friday night with a smile on my face. Finally, I want to say a huge thank you to all members & guests who have supported me, the little pat on the back, the kind words & thank you, & that, dear people is what makes it all worthwhile. Cheers, Dianne
