

RSA

EXCLUSIVE OFFER FOR RSA'S

Providing discount fuel to New Zealand businesses since 2003

FnF Fuels is a well established company, currently the largest Mobil card operator in New Zealand. We pride ourselves on our customer support and service and this was recognised in 2009 when we won the Westpac Northland Business Excellence Award for the best Small Business of the year.

We look forward to providing the same excellent service to RSA's.

The FnF Mobilcard provides great discounts off either pump or Mobil national pricing. As a general rule, discount off pump pricing is best in urban areas and off national pricing for rural. You can have either or both cards - it's your choice.
