WHANGAREI RSA NEWSLETTER

Greetings to all Members - Nga Mihi o te ra

From the President's Pen.....

Greetings to you all.

We have bid a fond farewell to Rust Ave, our RSA home for nigh on 95 years. We took all we could; everything physical, spiritual and a whole lot of memories. Here is what remains before the bulldozers move in.

Remember “No one can ever take your memories from you – each day is a new beginning, make good memories every day.” – **Catherine Pulsifer**

The move to our new premises at 16 Hannah Street has finally happened and the Whangarei RSA is now up and running. While the packing, moving and unpacking may have taken us a couple of weeks it has all been well worth the effort. Our new clubroom is looking superb, it has a good vibe and we can't wait to see you here.

Just when we thought it was all sorted a second wave of COVID – 19 hit. Let's hope that this is only a small wave so that we can get back to normal as quickly as possible. Unfortunately, as a result of moving to COVID Level 2, we have had to cancel our opening weekend's entertainment together with all other entertainment until we get the all clear.

Please heed the social distancing as laid out in the RSA at present. It is in place to protect you and your fellow club members. Remember, we can be visited by the council liquor team at any time and if they see we are not complying, we can be closed down. We don't need that kind of publicity.

Until next time, be well and keep safe.

COVID 19 LEVEL 2 RULES

Members, while we are under the level 2 rules, we as a club have a duty to keep our members and staff safe at all times. Sanitisers will be situated around the club, and we encourage you to please use it to protect yourself and others.

We can have a maximum of 100 members in the clubrooms at any one time. To enter and leave all members must show their card and complete the Contact and Tracing Register at reception. For those with the NZ COVID Tracer you can record a visit at Reception.

After signing in please head straight to your table and be seated. When you are ready to order food and/or drinks please raise your hand and our waiters/waitresses will serve you as soon as they are able, please be patient.

If you are using the Gaming Room please wipe down the buttons on your Pokie Machine when you leave it. Wipes and spray are available for this; do this by spraying the cloth with the cleaner and then wipe down the keys and coin tray with it; **DO NOT** spray directly on to the machines. Unfortunately there will be no Bands, Dancing or Pool and Darts during Level 2. Watch this space to find out when they will be back.
