WHANGAREI RSA NEWSLETTER

Greetings to all Members - Nga Mihi o te ra

From the President's Pen.....

Greeting again members

As I said once before the older you get the quicker the time goes. That has certainly happened over the last fortnight.

By now I was hoping that we would be in Level 1, no doubt you were too. Sadly that is not the case and we have to all we can while we remain in Level 2.

Just a reminder that when you are in the RSA please sign the Covid-19 tracking register or use the NZ Covid Tracker App to record a visit. Take your seat where you will be served as quickly as possible. To facilitate payment we have for your convenience a mobile EFTPOS and ATM, please do not approach the bar to make payment or to request a cash withdrawal. Above all please be patient as there are other patron's waiting to place an order.

You will note that we now have roses on the stalks to call for service. We were misusing the NZ flag while we had them on the tables so we removed them. Those flags have been donated to a special group at Tikipunga High School and I will be going up to explain the makeup of the flag as a project for them. The group did a great job of learning about ANZAC day and visited the RSA in Rust Ave to look at memorabilia and have since visited the new rooms in Hannah Street.

I would like to take this time thank the staff for their dedication over the past few weeks. They have worked tirelessly under trying times to keep the bar and bistro functioning. Also I thank you the Patrons, for being patient while waiting for service.

The climax of this week was the flooding of the bar, bond room and part of the downstairs area. We had three offices set up for renting but can still manage to get at least 2 operational if we get a response. The reason was an "o" ring on a water filter in the bar store blew. It appears it must have been flowing most of the night.

Fortunately we only lost one day trading so came off fairly lightly. The downstairs area, where most of the flooding occurred, will take a bit longer to recover. We do have insurance cover for this so we should be ok for getting things sorted.

Here is a quiz for people who know everything!

These are not trick questions. They are straight questions with straight answers...

1. Name the one sport in which neither the spectators nor the participants know the score or the leader until the contest ends.
2. What famous North American landmark is constantly moving backward?
3. Of all vegetables, only two can live to produce on their own for several or more growing seasons. All other vegetables must be replanted every year. What are the only 2 perennial vegetables?
4. What fruit has its seeds on the outside?
5. In many liquor stores, you can buy pear brandy, with a real pear inside the bottle. The pear is whole and ripe, and the bottle is genuine; it hasn't been cut in any way. How did the pear get inside the bottle?
6. Only three words in Standard English begin with the letters 'dw' and they are all common words. Name two of them.
7. There are 14 punctuation marks in English grammar. Can you name at least half of them?
8. Name the only vegetable or fruit that is never sold frozen, canned, processed, cooked, or in any other form except fresh.
9. Name 6 or more things that you can wear on your feet beginning with the letter 'S.'

The answers will be in the next edition.
